Authorization to photograph: I hereby authorize the BLC program to photograph and/or videotape my child for promotional purposes in magazines, posters, website and social networks.

YES NO Initials _____

Field Trip Permission and Authorization to Secure Treatment

My child, _____ has my permission to leave the school premises under the supervision of a staff member of BLC.

Summer Camp Registration 2023

In the event that emergency care is necessary for my child, I give permission for a staff member of BLC to take the following steps, as time and situation permit:

- Attempt to contact parent or guardian
- Attempt to contact any of the persons listed as an emergency contact on your child's registration form.
- If necessary based on the situation, 911 will be called.

Any expenses incurred in seeking emergency medical attention will be the responsibility of the child's family.

Signature of Parent or Guardian

Camp Descriptions:

Green World: Kids will expand their awareness about the importance of the environment and how to protect it, recycle, and grow plants. Activities with the color green and an outdoor field trip will also be part of the camp.

Under the Sea: We will explore together the many animals of the ocean, from sharks to snails, through art, field trips, and lots of fun. Also, we will play with water, balloons, and have activities about fish and sea creatures.

Science Projects: Science is fun at summer camp! Join us as we do projects that show us how things work, making things that squish, fizz, and explode. We will take a field trip to a hands-on museum where the kids can have fun learning more about our world.

Latin American Culture: Get your passport ready to travel to the many countries of Latin America: Mexico, Guatemala, Peru, Colombia, Venezuela, Puerto Rico and others. We will get to know their traditions, cultures, songs, food, and art. The campers will learn about these places and will participate in activities from each country.

Sports: Get active with us as we kick, dribble, and throw! Kids will play their favorite sports and learn about fitness and teamwork. We will take a field trip to a stadium to learn about professional sports.

Back to School:

Kids will learn to love reading! Activities include reading their favorite stories, creating

Summer Camp Registration 2023

their own storybook, exploring art and creativity, math and counting games, science, and other fun activities both indoors and outdoors. On the first day, campers should bring their favorite book and a stuffed animal.

What to bring to BLC camp:

- a nutritious and delicious lunch
- a refillable water bottle
- comfortable clothes that can get dirty, towel and tennis shoes

PreK- 5th Grade Summer Camp: Monday through Friday we will provide fun and learning activities. This camp has the alternative to come for half days or full days; we encourage kids to stay the whole day. Every Friday, students will participate in different all day field trips.

A supervised lunch break and an hour of high energy activities in our outdoor play area is included with your registration. Weather permitting, we will walk to a nearby park to play on the playground.

Extended Day: Students in our summer camp can register to stay after camp from 4-5:30 PM and participate in group games, playground activities and relaxing time.
