Nokomis Heights Lutheran Church
5300 10th Ave S. Minneapolis, MN 55417

Green World Camp

June 19-23

Green World: Kids will expand their awareness about the importance of the environment and how to protect it, recycle, and grow plants. Activities with the color green and an outdoor field trip will also be part of the camp.

Under the Sea Camp

June 26-30

Under the Sea: We will explore together the many animals of the ocean, from sharks to snails, through art, field trips, and lots of fun. Also, we will play with water, balloons, and have activities about fish and sea creatures.

Science Project Camp

July 10-14

Science Projects: Science is fun at summer camp! Join us as we do projects that show us how things work, making things that squish, fizz, and explode. We will take a field trip to a hands-on museum where the kids can have fun learning more about our world.

Latin American Culture Camp

July 17-21

Latin American Culture: Get your passport ready to travel to the many countries of Latin America: Mexico, Guatemala, Peru, Colombia, Venezuela, Puerto Rico and others. We will get to know their traditions, cultures, songs, food, and art. The campers will learn about these places and will participate in activities from each country.

Sports Camp

July 24-28

Sports: Get active with us as we kick, dribble, and throw! Kids will play their favorite sports and learn about fitness and teamwork. We will take a field trip to a stadium to learn about professional sports.

Back to School Camp

August 28-31 (Monday - Thursday)

Back to School:

Kids will learn to love reading! Activities include reading their favorite stories, creating their own storybook, exploring art and creativity, math and counting games, science, and other fun activities both indoors and outdoors. On the first day, campers should bring their favorite book and a stuffed animal.
